

Yamhill County Amateur Radio Emergency Services

Training Net Preamble

Good evening and welcome to the Yamhill County A.R.E.S. Echo net. This is **(name and call sign)** your net control station for the evening. Is Secondary Control on frequency? Our secondary frequency is (Check schedule).

Is there any emergency traffic at this time? **Secondary...**

Good evening and welcome to the Yamhill County A.R.E.S. Echo net. This is **(name and call sign)** your secondary net control station for the evening. Our primary frequency is (Check schedule).

Is there any emergency traffic at this time? **Primary...**

During this net all operators should be monitoring both primary and secondary frequencies. Expect delays as the net is passed from primary to secondary and back. You are asked to try and check in on primary frequency first. If you can't then you can check in on secondary. Our net meets on various frequencies every Monday at 7:30 pm and all are welcome to participate. **Secondary...**

Are there any late or missed stations wishing to check in? **Secondary...**

Are there any late or missed stations wishing to check in? **Primary...**

I will now call on the EC to QSY to secondary frequency for announcements (**EC will make announcements on primary frequency if it is on a repeater frequency**)

This will be the last call for check-ins to the Yamhill County ARES net. **Secondary...**

This will be the last call for check-ins to the Yamhill County ARES net. **Primary...**

Next week's Net Control will be (**State Name, Call Sign and frequency, including PL Tone**)

We wish to thank all stations for participating in the Yamhill County ARES Net.

If not on the YCARES Repeater: We also wish to thank (MARC for 146.64)

This is (**your name and callsign**) closing this session of the Yamhill County ARES net. The frequency is now clear. **Secondary...**
